

SCIENCE FACULTY

"Everything is theoretically impossible-until it is done" Robert A.Heinlein

Co curricular activities supplement the academic curriculum and help the students in learning by doing. These activities develop problem solving, reasoning, critical thinking, communication and collaborating abilities of the college students. Keeping this in view a constant endeavour has been made by the science faculty under the guidance of Dean Dr.Rashmi Jawa throughout the session.

Science Quiz Contest at three levels:

District level science quiz contest was organised at our college in which 15 teams participated and after a Multiple choice test 8 teams were selected for quiz round. G.V.M team consisted of three students Rupanjali, Nitika BSc III (Non-medical) and Reena BSc III (Med) got first position.

Zonal level District level winner participated at zonal level contest sponsored by HSCSIT, Haryana organised at Pt. NRS govt.College Rohtak on 15th Nov,21 and was awarded a cash prize of Rs.40000 and participated at **State level contest** with great effort.

Science Exhibition:

Interdistrict level was Organised at Tau Devi Lal Govt. College for Women, Murthal on 14th December 21. G.V.M students participated in all seven subjects enthusiastically. Our two teams in the subject of Botany and Computer science got first prize. Botany team participants Reena B.Sc III (Med) and Anjali B.Sc III (Biotech) stream prepared a model on the topic "living lights: lights for living" while Vanshika and Nidhi B.Sc 1st yr. (computer science) team presented their model on the topic: "Future Pandemic Digital Solution." Along with it, Geography team consisting of Ankita and Sonia of B.A III on the model Topic "Vertical Farming" got third prize. Not only this two students Anjali from botany and Shreya from chemistry got best explainators award and appreciation certificates. In total G.V.M students got five prizes.

State Level Science Exhibition:

Two teams who got first prize in district level became the eligible competent at state level exhibition organised by Pt. NRS Govt college Rohtak on 7th&8th feb, 22, where botany team got second position.

Science Essay Writing Competition

G.V.M campus organised **District Level** Essay writing competition on 21st Dec.21, sponsored by HSCSIT, HARYANA. Three students Shweta Shukla B.ScIII (Medical), Reman B.ScIII(Non.Medical) and Nandini Saini B.ScIII (Biotech) were selected for next level competition.

State Level Essay Writing Competition was also organised successfully in our college on 24th April,22 where 184 students from 22 districts of Haryana participated there and Shweta Shukla B.Sc III (Med) from our college got consolation prize.

Poster making, Working Model and Slogan Writing Competitions by Dean Student Welfare Department, M.D University :

Organised these competitions on the various themes for Teaching Faculty and Non-teaching staff and students also. From Teaching faculty Dr. Pooja Gulati, Dr. Meenakshi & Dr. Renu Rani got first second and third positions in slogan writing competition respectively. From Non teaching staff Ms.Veena Kumari, Ms. Suman Lata and Gulshan Kumari secured 1st, 2nd & 3rd positions. Students also got various prizes in all activities.

National Level Science Quiz Contest : M.N college Shahabad and Arya Kanya

Mahavidyalaya Shahabad in collaboration with vigyan Bharti Haryana organised National level science quiz on 24th Feb, 22. Gitanjali B.Sc II (Medical) got second position and won the cash prize.

Inter College Essay Writing Competition at Dayal Singh College, Karnal

Biology association of the college organised Essay writing competition in which Shweta Shukla B.Sc (Medical) secured first position and got 600 Rs. cash prize

State Level Science Quiz Contest on Environment. G.V.M team of two students Reena B.Sc III Med & Varsha BScII Med participated at Dayal Singh College Karnal on 25th May and secured 1st position.

PHYSICS DEPARTMENT

* Department organized an extension lecture on the topic "Fundamentals of Nuclear Physics and Application" on 13th May 22. Dr. Pradeep Singh, (Assist. Professor) DCRUST Murthal delivered the lecture highlighting numerous uses and applications of Nuclear Science and guided about the future prospects and job opportunities for the students in this area.

CHEMISTRY DEPARTMENT

* Department organized Power Point presentation competition for all B.Sc. students on 17th May, 2022. Twenty five girls participated and gave wonderful presentations on topics selected like *

Artificial Intelligence – Boon or Bane,

* Covid 19, why chemistry matters?

* Safety Precautions for chemical Products

Prachi and Smriti B.Sc. (Med.) 1st sem got 1st position, Prerna (B.Sc. N.Med) 2nd & Shreya – B.Sc. (N.Med) 3rd Sem. got 2nd position. Yashika & Minal B.Sc. (N.Med) IIIrd Year got 3rd position. At

the end of competition, Principal Dr. Renu Bhatia & jury members Sh. B.S.Saini, Ms. Rosey Chopra and Ms. Meena Gosain with Dr. Manjula Spah (H.O.D. Chemistry Deptt.) gave prizes to the winners.

* Two students of Deptt Prachi & Shreya participated at Inter-College Declamation contest on 3rd June, 2022 on topics "Ozone Layer gradation & Global Warming" organized by Seth Navoong Rai Lohia Jairam Girls College, Lohar Majra, Kurukshetra Shreya B.Sc. 1st Year (Med.) stood first and received trophy.

BOTANY DEPARTMENT

* A Model Making Competition was organized by Botany Deptt. on 20th May 2022 and 25th May 2022 for B.Sc. Medical students. 140 students participated and prepared 50 models on different aspects of Botany. Models were adjudged by the Senior faculty members & the Principal awarded trophies and Prizes to the winners.

MATHS DEPARTMENT

* A colorful event on Poster Making was organized. On topics of Mathematical Trigonometric Functions, Mathematical Symbols, Mathematical Operators & Shapes and Portrait of Aryabhata etc on January 1st, 2022. Students participated in Mathematical Rangoli competition also where they depicted Mathematical concepts on floor with different colourful patterns with Rangoli.

* Deptt prepared three students Rupanjali (B.Sc. III) & Anjali (B.Sc. II) & Kusum (B.Sc. II) for participating at Jat College, Rohtak Maths Quiz Competitions and team got 1st prize.

HOME SCIENCE DEPARTMENT

- * Shipra Maheshwari from B.A.I (H.Sc.) student participated in National level "Salad Making Competition" organized by DAV College for women, Karnal. She got 2nd prize.
- * Ruchika from B.Sc. III (H.Sc) student participated in Ppt Making Competition on "Magic of spices in your Thali" organized by IB College Panipat & got 3rd prize.
- * On 15 December 2021 : Online National level Pot decoration Competition organized by Ms. Monika Chandna to show the Magic of colours on Pots and appreciate the value of colours in life.
- * 25 March 2022 Priyanka and Srishti (B.Sc. III) participated in Model Making Competition on the topic on Dehydration of fruits, vegetables and flowers. Both got 3rd prize.
- * On 22nd April 22 students of B.Sc. II & B.Sc. III (H.Sc) visited Serinor Secondary School of Depalpur village for inspection of PM Poshan Scheme.

COMPUTER SCIENCE

- * On October 2021, the department organized an online Power Point Presentation for the students of BCA and B.Sc computer science. The competition was judged by Ms Priti and Ms Anshu. All the students participated with great zeal and enthusiasm. Position holders were awarded with trophies and E-certificates.
- * An extension lecture on data mining was organized by Dr. Sachin Sharma on 27th November 2021. He is working as Assistant Professor and Program coordinator in Department of Computer in Manav Rachna International Institute of Research and studies.
- * The Department participated in Inter District Science Exhibition held on 14 Dec. 2021 at Govt. College, Murthal. Students of B.Sc. Ist Computer Science presented a future Digital Pandemic Solution and Bagged 1st prize.
- * The Department organised Rangmanch-Khoj Pratibha 2021 on Dec. 23, 2021. The students of BCA and B.Sc. (Computer Science) participated in it. Mr. Kamlesh Chopra and Ms. Rohini Madan judged the competition. The event was a great success as the students participated whole heartedly. The winners were felicitated with certificates and trophies.
- * A National level Online Quiz was conducted by the Department on 9th February 2022, which was inaugurated by Principal Dr. Renu Bhatia. The students from all over India participated in it. E-certificates were given to the position holders and all the participants.
- * On 28 April, 2022. The dept. organized an orientation Program on value added courses. The detailed information about all the courses were given to the students and they were motivated to join the courses so that they could get better job opportunities in future.
- * Workshop on Google form was organized on 7th May 2022 by E-learning cell and Computer Science Department. All the students of BCA and B.Sc. (Comp. Sc.) were taught about the process of creating Google form and its various user like surveys, quizzes as well as to collaboratively share and edit the forms with other people.

BIO-TECHNOLOGY DEPARTMENT

* Biotechnology Department organized a “**Rangoli and T-shirt Painting Competition**” on 26th April 2022 on World Intellectual Property Day to encourage students who are future Inventors, Creators and Entrepreneurs to know about Intellectual Rights & goals to generate income, create Jobs and tackle various local and global challenges. Students participated in these activities (Rangoli making and t-shirt painting) enthusiastically and learnt a lot about various aspects of IPR like Patents, copy-rights, trademarks, G.I. marks etc. and by the Caligraphic hand activities learnt about Artistic approach aspect also.

* Organised an “**Educational visit to Aryabhata Central Instrumental Lab**” & Centre of Biotechnology (ACIL & CBT) on 20th May, 2022 came at MDU, Rohtak. Under supervision of Dr. Darshana Chaudhary where students came to know About “Next Generation Genotype sequencing & Plant Tissue Culture” by the Presentation of Dr. Arun Nanda (CEO of CIL) and Dr. NarSingh Chauhan (Assistant Prof.). Students learnt about the use of different Instruments and Apparatus like (HNS Analyzer, BSL-3, Surface Area & Pore Analyser etc. Students showed a great interest and energy during this visit which made it fruitful by outcome through various learnt skills & knowledge criteria of students.

* Department organized the Activity on the “**Best Out Of Waste-Say No To Plastic**” on the theme “Efficiency of Bio waste” on 24th May, 2022. Students Actively participated in the Competition and represented their ideas via making Decorative items by using Biowaste materials, by this Activity students learnt about the management Aspects of Green waste and how this waste can be made useful.

* Organized an Activity on “Bio-Logo Making Competition” on 2nd Dec., 2022 on following themes:
a) Green Biotechnology b) Covid – 19 c) Tissue culture d) Central Dogma of Molecular Biology, e) Biotechnology in everyday life.

Students had interestingly participated in the Competition and showed their creativity on these above mentioned themes.

DEPARTMENT OF PG CHEMISTRY

* This was really a proud moment for P.G. Deptt to honour ex student who reached the ultimate in performance ie **UPSC 2021 ranking 121 Ms Uttam**. On 3rd June 2021 she was welcomed in college campus by Principal Dr. Renu Bhatia, President Dr. O.P. Paruthi and Mr B.S. Saini (H.O.D. PG Chemistry) by bouquet and joined a vibrant interactive group discussion session with P.G & U.G students. “The greatest discovery one can make is that nothing is impossible and the roots of true achievements lie in the depth of will and passion to goal” was the message given by her during the ceremony. All faculty members congratulated her on her brilliant success. She felt thankful to motivation given by her teachers Dr. Manjula, Prof. Saini and Nidhi Mam etc.

* A Poster Making Competition was planned for M.Sc. students to enhance their practical knowledge through making posters on 7th May. Such programs contribute in building scientific temperament amongst students and help to understand & broader perspective of the subjects on burning topics “Chemistry in sustainable development, Green Chemistry, Chemicals used in food for instant growth and carbon footprints etc. were given and 27 teams participated and judged by Dr. Manjula Spah & Nidhi Mam. Teams -

Geentanshu & Bhawan (M.Sc. IIInd Sem.), Ritika & Vinshi (M.Sc. IV th Sem.) got Ist prize, Jyoti & Aanchal (M.Sc. IIInd Sem.), Khushboo & Nandini (M.Sc. IV th Sem.) got IIInd prize.

COMMERCE DEPARTMENT

1. National level online contest in two areas was held on 15th October, 2021

1.1. "Showdown your ideas (writing of expressions)

1.2. "Jargon writing

Following topics were given to contestants

1.1.1. "Women Education, Subsidies: Yes or No, E-Commerce after covid, Changing dynamism of Consumerism. It was PAN INDIA contest including participation from Kerela, Punjab & Haryana.

1.2. "SYNERGY" exhibition was conducted on 18th Nov. 2021.

In this exhibition, models on various topics were prepared by students of B.Com I, II and III year.

Following topics were selected by students : Digital Marketing, E-Commerce, Modes of communication, Paytm Model, GST, Credit cards , Role of Industry.

In this event our team of students Nancy, putusutng Masters in Geography and Payal from B.A..final year got the third position.

DEPARTMENT OF HISTORY

- * On 4th Jan. 2022, Online Rangoli Competition on 'Indian's Monuments' was organized and provided the E-Certificates.
- * On 22th April 2022, A poster making competition on 'Culture of Haryana' was organized in which various department students participated and won prizes.

DEPARTMENT OF GEOGRAPHY

- * On 20th July 2021 organised a webinar on "Career Counselling in Remote sensing" Dr Ravinder Nath Tiwari (member of IPGI Dwarka) was the resource person. About 70 students attended this webinar & got knowledge about the scope of Remote Sensing and its future prospects.
- * On 14th Dec, Deptt. Girls Akshita B.A. III year, Sonia B.A. III year, got the 3rd position in Distt. Level Science exhibition (DHE sponsored and organized at G.C.W. Murthal)
- * On 25th March 2022 G.V.M. College organized a college level Model making on "Sustainable Practices : A way to protect and conserve the environment." Deptt girls Nancy & Sakshi (MA Pre.) got 2nd position.
- * On 30th Dec., 2021 Deptt G.V.M. organized a Seminar on 'Geoinformation Technologies and career opportunities' for VC + and P.G. Deptt. Girls Resources Persons Dr. Ravinder Nath Tiwari HOD NIGMT foundation Dwarka, New Delhi and Dr. Nitin Sharma CFO (HANTEC) imparted the knowledge about the use of Geospatial techniques in Engg catography and many other fields.
- * On 20th April 2022 Deptt organized an Educational Trip to IIRS-ISRO Dehradun. Total 41 students 3 teachers & 2 attendants were on the trip.
- * On 7th May 2022 Deptt organized an extention lecture on 'Role of Remote Sensing & G-15 in Disaster Management : A case study of western Himalaya by Associate Prof. Dr. Pankaj Kumar Geog. Deptt DSE Delhi University Delhi.

Internal Quality Assurance Cell

IQAC of our college is constantly engaged in earnest and energetic work for over arching long range goals of the Institution. Dr. Sangeeta Singh (Coordinator) and all team members are highly focused on finding developmental path to executable tasks to enhance the quality of education i.e. to provide all learners with capabilities they require to become economically productive, ensure individual well-being and contribute to a peaceful and democratic society.

On April 30, 2022 a National webinar on "Quality Enhancement Strategies in Higher Education" was organized in both online and offline mode. 140 faculty members from our college and other institutes across the nation attended the Webinar.

Prof. (Dr.) Anuradha Jain, Principal, Vivekanand Institute of Professional Studies (VIPS), Pitampura, New Delhi, a staunch academician, dedicated to teaching community for over 20 years and well versed with NAAC accreditation process, motivated the faculty members. Dr. Isha Rawal, Associate Professor and IQAC coordinator, VIPS, New Delhi also discussed about the various key indicators. Strategic measures to work for quality initiatives were discussed minutely. Role of a teacher in student's life was appreciated. Moreover importance of all the stakeholders, in shaping the institution was discussed. Filling of industry academic gap, working for students support and progression were the key points discussed in the webinar. Ms. Sunita Dhawan, (Convener of the webinar) & Dr. Sangeeta Singh, (IQAC coordinator) handled the event. Both the resource persons interacted with the participants thereby skillfully communicated the IQAC strategies to all.

Dr. Sangeeta Singh, Ms. Sunita Dhawan and Ms. Punita Batra attended National Level Online FDP on 'Achieving Quality and Excellence in higher Education through NAAC Accreditation Process' during February 8-12, 2022 conducted by IQAC Naipunya Business School, Thrissur, Kerala.

Ms. Sunita Dhawan attended National Webinar on 'The Role of IQAC in Quality Enhancement and Academic Administrative Audit (AAA)' organized by FDP Cell of Arya Kanya Mahavidyalaya, Shamad Markanda, Haryana on February 19, 2022

Ms. Kamlesh Chopra attended a Webinar on 'Best Practices in HEI'S Nurturing and Sustaining Quality Outcomes' on February 28, 2022 organised by IQAC Aggarwal College, Ballabhgarh.

She also attended a National Webinar on 'A Critical Evaluation of Quality' Sustenance in Higher Education Institutions for imparting Education through virtual Mode" on May 7, 2022 organized by Markanda National College Shahabad, Markanda in collaboration with NAAC, Bangalore.

A committee of faculty members to work on the implementation of New Education Policy was constituted.

26 faculty members participated in the online impact lecture "Design Thinking and Critical Thinking", organised by Dyal Singh College, Karnal on June 28, 2022

Ruchika Vermani and Meena Kalra attended online FDP on "Stress Management" organised by ICT Academy, New Delhi.

"Azaadi ka Amrit Mahotsav"

Azaadi ka Amrit Mahotsav means the festival of completing 75 years of independence of the country, 15th August 1947 was the historic day when our country got freedom. For this freedom, many brave freedom fighters and leaders had sacrificed themselves. Amrit Mahotsav is an initiative to celebrate the commemorate 86 years of progressive India and the glorious history of its people, culture and achievements. Our College is privileged and proud to celebrate the festival of Independence initiated by government of India.

Fit India Freedom Run under Amrit Mahotsav

On August 13, 2021 NCC Cadets of the institute participated in Fit India Freedom Run enthusiastically to inculcate the spirit of fitness among the people of India. The aim of the run was to create awareness among people of Sonipat and the country of being Fit and Healthy. The run was flagged off at Police Line and concluded at Subhash Stadium.

Independence Day Celebration

On 15th August, 2021, 75th Independence Day, Amrit Mahotsav was celebrated at Campus. Beautiful dance performance and poetry recitations were the main attractions to celebrate the wonderful occasion to give the message of love for the nation, we all stand united. The event ended with the knowledgeable speech by Mr. Gandhi. This Mahotsav is dedicated to the people of India who are not only been instrumental in bringing India thus far in its evolutionary journey but also hold the power within them to make India "Atam Nirbhar Bharat".

Gandhi Jayanti Celebrations

Cleanliness was very close to Mahatma Gandhi's heart. On 2nd October 2021, University Outreach Programme Team and NSS volunteers of G.V.M. Girls College visited Fazilpur Village to make people aware regarding benefits of cleanliness. 50 students participated in this cleanliness drive. The campaign was started by taking Swachhta Pledge by all the participants to remain committed towards cleanliness and devote time for this cause. A rally was also conducted to bring awareness regarding cleanliness among people residing in Fazilpur Village. Students of College chanted slogans regarding harmful effects of using plastic and discussed about substitutes available in the market for better environment. Poster Making Competition was also organized to bring the feeling of commitment among students of Fazilpur.

Awareness regarding Welfare Schemes run by government under Amrit Mahotsav

To educate the village people regarding Atal Sewa Kendra, services provided by them and encouraged the villagers that they can visit these centres to apply for various government schemes and avail benefits. Villagers were also made aware of the benefits of Ration Card, Income Certificate, Birth Certificate, Haryana Resident location letter, e-labour card, Aadhar Card etc. Ayushman Bharat, Beti Bachao-Beti Padhao Abhiyan, Chief Minister Vivah Shagun Yojana, Free Sewing Training and Distribution Scheme etc.

Movie Show "Rang De Basanti"

On 18-21 April 2022, To inculcate the spirit of Patriotism and to celebrate the inauguration of Institute's newly built auditorium named "IndraDhanush" Rang De Basanti was telecasted on the big screen. To remember the struggle of freedom, passion of our knowledge of youth this movie was run. The movie highlights the struggle of our country's freedom.

Imparting Creative and Analytical Skills

On April 18-21, 2022 Outreach team of College reached students studying at Government school

Fazilpur to impact creative and analytical skills among them. Education is a fundamental right of every child. Efforts are being made to celebrate AKAM and reach all parts of society to uplift them.

Activities under Azaadi ka Amrit Mahotsav during YRC Camp

To inculcate the feeling of patriotism some special activities to celebrate AKAM were added. Highlighted are adduct youth from drugs, Time Management skills, TB, HIV-AIDS, Hepatitis C informations, Debate and Declamation on the topics of patriotism.

Legal Literacy Camp, Soil and Water Testing Programme

Conducting the soil and water Testing Program in the adopted village on 6th May 2022, examined the quality of soil and ater. Under this initiative, student members collected Samples from the homes of the villagers along with other important buildings. They tested the PG level of water examples and mixed water and soil and measured the amount of manure. The student members also made villagers aware of the health benefits of consuming pure water.

Business Plan Presentation Competition

Celebrating AKAM, P.G. Department of Commerce, GVGC organized a competition for the students to enhance their entrepreneurship skills titled "Business Plan Presentation" competition on May 13, 2022. The aim of arranging the events was to develop interest among girls regarding start-ups. To make bright future of our students, Institute keep arranging such events, 21 teams participated and came up with real good ideas. Soil and Water Testing Program on 6th May 2022 – The Purpose of this event was to test the quality of soil and water in the village area.

IPR Cell Activities

Intellectual property plays an important role in providing a competitive edge to any Institution. The tangible assets like designs, software, brand name and other creative & innovative ideas are more valuable than physical assets. Intellectual property rights in India include copyright, patent, design and trademarks. IPR Cell at GVM Girls College is committed to create awareness about the importance of IPR. In association with Biotechnology Department, IPR Cell organized an extension lecture on Intellectual Property Rights on December 27, 2021. The lecture was delivered by Dr. Kanupriya, Assistant Professor at Sharda University, Greater Noida. She shared valuable information about IPR in everyday life. She also emphasized the importance of patent and copyright in academics and research.

On World Intellectual Property Day, April 26, 2022 a National level Poster Making Competition was also organized. Students from various institutes presented their innovative ideas creatively.

Research Cell

Research cell has been established in our college in order to promote research activities. Time and again, various workshops and seminars are organized to make the students and teachers aware about the significance of research. This enables the faculty and staff to explore much beyond the syllabus and curriculum and keep themselves updated and motivated.

On December 30, 2021 Research Cell organized a lecture on "Introduction to Research". Ms. Niti, a member of this committee took the initiative and conducted an awareness lecture. Students were made aware of the meaning of research and its process 'How the Research is done?' was the significant topic. Various components of the procedure like introduction, review of literature and results were discussed. Numerous examples were quoted to highlight the vital points and to make the lecture easily understandable. Students found it very interesting and informative.

Dr. Renu Bhatia, Principal GVMGC, appreciated her lecture and promised the students and faculty members to extend every possible help in this direction. Research cell members Dr. Sangeeta Singh, Ms. Sunita Dhawan, Dr. Sachin, Dr. Pooja Gulati and Ms. Garima also attended this lecture.

Entrepreneurship and Innovation Cell

Entrepreneurship and Innovation Cell has been constituted to promote the entrepreneurial ecosystem and startup culture in the college. The cell organized an engaging event to inculcate an interest in entrepreneurship and start-ups. In this event an interactive session was conducted by Mr. Bhushan Kumar, resource person from District Industries Centre, Sonapat. He shared information about the "Prime Minister Employment Generation Programme (PMEGP)", which is Government of India backed credit-linked subsidy scheme. Objective of this scheme is to facilitate self - employment opportunities in India's urban and rural areas and to generate sustainable and continuous employment for youth. Maximum loan up to 25 lacs is given under the PMEGP scheme. More than 130 students were benefitted by knowledge shared by the resource person.

ECO CLUB
