Online Poster Making Competition

Women cell of GVMGC believes that Education is most powerful weapon which can use to change the world. For overall development of students, many programs, systems and approaches have been already created.

'Posters were one among them'. Posters, as a visual tool, an effective way to catch & hold the attention of students on a certain idea, issue or problem. So, **women cell, keeping in this mind, planned an Online Poster Making Competition on theme "Teacher's day"**
